When and where is Camp?

This year the IMP Music Camp will be held from Monday 6 June – Wednesday 8 June 2022. It will take place at The Tops Conference Centre, 51 Bendena Gardens, Stanwell Tops, NSW, 2508. Students will travel by coach to the venue departing from Leichhardt Campus Hall on the first morning of camp. **Students need to arrive at Leichhardt campus at 7:00am sharp** to register, pack the buses and get on the road as quickly as possible. Don't be late! We will be departing from the Leichhardt campus at approximately 7:30am.

What is IMP Music Camp all about?

Music Camp is an essential feature of the College's Instrumental Music Program as it provides concentrated tutoring sessions for students not possible in the normal practice sessions at school. We work hard during the camp with around 10 hours of ensemble rehearsals plus evening talent shows, afternoon recreation and the final end-of-camp concert at Balmain Campus on the evening of Thursday June 9th. The rehearsals completed at the IMP Music Camp are comparable to a whole term of morning rehearsals and thus of

immense benefit to IMP students. It also gives our members a unique opportunity to make new friends, spend time with members of other ensembles and have fun with the whole IMP community together in the one place.

A core aim of the IMP Music Camp is to establish a sense of teamwork and belonging. It is compulsory for **ALL MEMBERS** to attend the Camp for its complete duration. The IMP Music Camp is recognised and endorsed by all College campus principals as an important learning experience. Principals and teaching staff have worked hard to avoid any assessment task clashes and other college events during the duration of the IMP Music Camp and students will not be disadvantaged in any way by attending. It is however the individual student's responsibility to speak to their teachers and peers to catch up on class work.

Camp objectives

- To encourage excellence in all forms of music making.
- To develop self-discipline and an understanding of the responsibilities of the performer in an ensemble setting.
- To provide High potential and gifted students from all Sydney Secondary College campuses with extension experiences in music performance.
- To provide staff professional development opportunities.
- To develop and foster positive attitudes towards group work.
- To promote positive attitudes towards music in general.

Recreational Activities

There will be various recreational activities during the first two days of the IMP Music Camp. Make sure you bring appropriate clothing and **closed footwear** for outdoor activities. The IMP Music Camp will also feature a disco night with a fancy dress theme:

“1970’s”

Evening Talent Shows – students only

- All students are encouraged to perform at the **Evening Talent Shows**, held each evening after dinner. There will be prizes for the best musical performances each night. These concerts give all students the opportunity to perform for a receptive and mature audience. We would like to see as many students as possible get up and have a go.
- You may like to bring music (solo or ensemble) for these concerts. Play by yourself, or organise friends to play with you.
- Are you working towards an AMEB or Trinity exam? These performances are a perfect opportunity to perform your exam repertoire in front of an appreciative audience.
- Other instruments and equipment may also be brought to use at these concerts. **Please ensure that all equipment is clearly labelled with your name and contact details.**
- It is not compulsory to play, but it is an experience not to be missed!

End-of-Camp Concert – all parents/caregivers invited!

- The **End-of-Camp Concert** will be held at Balmain Campus Hall on the evening of Thursday June 9th (See Fridge Reminder for details). All parents, caregivers, relatives, teachers and friends are invited to watch the performance. It will be a showcase of the hard work achieved during the Camp and the talent of the students and staff who attended.
- Concert will conclude at approximately 8:00pm. Students will be able to depart only after **all equipment is packed up**. Please note that students are required to support their band mates and be respectful audience members after they have performed. For this reason and for logistical reasons, it is not possible for students to leave early from the concert (without requesting to do so prior) so please don't ask mid-performance.

- Any changes to a student's medical condition or treatment must be emailed to the designated IMP Music Camp Medicine Manager (Narelle Daniels) prior to camp at this address: narelle.daniels2@det.nsw.edu.au
